Dear Mr Dewhirst,

Please find enclosed a cheque in final settlement of the account.

We would like to thank you and your team for their courtesy and attention to detail. We are delighted with the advice we received, the design and the quality of the kitchen. We have never had such clean tradesmen carry out work for us. To say any more about the service would weaken the compliments. Our final word is that we would not hesitate in recommending your company.

We wish you and your team every success in the future.

Yours truly,
