Dear Lindsey,

On 6th January we came into your showroom to get some ideas about a new kitchen, by the end of March we had agreed on your wonderful design, work started at the beginning of May and by the end of May our new kitchen was complete.

The whole project from the first plan drawing to the last tile being fixed has been managed and executed to our absolute satisfaction. All of the craftsmen that you assigned to the project were first class and in particular our congratulations go to the builders Alex Boye and David Hammond, the electrician Alan Evans and of course Mick, the kitchen fitter. To a man they were timely, tidy and efficient and keen to ensure that their work met with our complete satisfaction.

We would also like to thank you, Lindsey, for all of your help along the way. You have always been available to answer queries and you remained close to the project throughout and even, as I recall, visited us during the works on your days off.

The reputation that Dewhirst Kitchens have gained over the past 50 years is richly deserved and our sincere thanks go to everyone.

Kind Regards

Ted & Diane
