Dear Mike,

We would like to thank yourself and all the team at Derhirst for an excellent job from start to finish. We are very pleased with our new kitchen and utility room it looks exactly like the images you created for us in the planning stage.

Your team carried out the work in a very efficient manner they were at all times courteous and any minor problems were resolved without any issue.

The quality of the products you helped us to select is absolutely first class and the 'Omni' has become quite a talking point - not something you usually expect with an extractor fan!

As promised I have enclosed some photographs for your reference along with final payment.

Once again thank you for an excellent, trouble free job we would have no hesitation in recommending Derhirst Kitchens.

Yours sincerely
Nigel & Diane Holmes
