Dear Mr Dewhirst

Thank you for organising the replacement glass doors and shelf for the wall cupboards. They were installed yesterday and look good. The kitchen is now complete. Please find enclosed our cheque for the invoice for the wall tiling.

The kitchen looks very good. We are very pleased with it. Thank you for all your care and patience throughout. Your advice was always sound and we are glad we followed it. The granite upstands look great. If you would like to see the finished job, please call in if you are passing.

We would also like to thank the people who work in the showroom and who came to the house. They were always helpful, on time and have done an excellent job.

We hope you have a good Christmas and New Year.

Yours sincerely

Chris & Margaret Hunt.
